Michael,

The Statement received review by the Senior leadership at OGC and at OW before it was sent forward. Will coordinate any changes in the statement with them as well.

Ryan,
I wanted to make sure Matt is included in this discussion. After I made my decision I coordinated with David and Matt as to what the statement would say.

OLEM is not involved in Section 404 CWA permits and so I not have any knowledge of this permit nor any comments on the statement.

David and Peter can I get a quick turnaround on this request from region eight below? They're getting a lot of heat in the press and I told them I would turn something around for them this evening. Please let me know if I need to include others for their sign off as well. Thank you.
